Letter from the Chairman of the Board

Dear Members of the WGSACC,

Now that the April showers are behind us, we can be thankful that our communities of Rock Hill, Shrewsbury and Webster Groves were spared during the destructive tornadoes that befell our neighbors to the north. We wish those communities well as they rebuild.

The upcoming weeks have lots of fun and interesting activities for our members to look forward to. Make plans to attend and mark your calendars today!

We have two ribbon cuttings planned this month. On Monday, May 9 the St. Louis Wing Company will celebrate its grand opening from 5 - 6 p.m. Come welcome our newest member and taste Chef Bobby Tessler's sensational selection of wings including coconut curry, kalamata olive and feta or spicy fresh jalapeno! Also make sure to support Jean Scholtes and the KIND Soap Company by stopping by their ribbon cutting on Wednesday, May 25 from 5 - 7 p.m. Jean will be raffling off some KIND soap products during this event.

Please join Lou Clauss at PostNet for a Meet and Greet on Friday, May 13 from 7:30 a.m. until 9 a.m. PostNet is located in the McKenzie Pointe Shopping Center in Shrewsbury. Come by for some hot coffee and check out their location. You'll be surprised at the many services that Lou provides.

Our monthly meeting will be held on Thursday, May 19 at 7:30 am. Our host will be the beautiful Pacific Place, in the heart of the Old Orchard Shopping District in Webster Groves. Come and see this unique approach to senior living and network with fellow Chamber members.

Mark your calendars for Mini Golf, Major Networking on June 8 at Tower Tee. Join us between 5 p.m. and 7 p.m. for networking with the Crestwood/Sunset Hills Area Chamber of Commerce.

I look forward to seeing everyone at each of these events.

Sincerely,

Joe Grimaud

St. Louis World Changers is a 501(c)3 nonprofit organization that secures funding to provide free, necessary housing repairs to needy St. Louis residents. Their staff, made up of volunteers, work all year on projects that culminate in a large summer event. During that event, 350 youth-aged and adult volunteers from across the country volunteer to work in the St. Louis community. For one week, these volunteers replace roofs, siding and make other outdoor home repairs on 20-30 different homes. St. Louis World Changers hosted their first summer project in July, 2003 and have since made repairs to more than 200 homes in the St. Louis area.

St. Louis World Changers always looks for people willing to dedicate time and resources to this worthy cause. They are currently seeking businesses and organizations interested in providing lunches to construction crews during the week of the project and donations to help provide construction materials. If you are interested in learning more about this organization or getting involved, please email [info@worldchangersstl.com](mailto:info@worldchangersstl.com).
